MANNING VALLEY DRESSAGE & HACKING CLUB

About the Manning Valley Dressage and Hacking Club:

The Manning Valley Dressage and Hacking Club (MVDHC) is one of the longest running Dressage clubs in Australia.

Established in 1980, we have a proud history spanning nearly four decades, growing up alongside the fledgling sport of Dressage in Australia. At the time of our founding, Dressage was very new to Australian riders, and worldwide was only beginning to be enjoyed by civilian riders rather than just as a military function.

From these humble beginnings, both Dressage and the MVDHC continue to grow and bring enjoyment to hundreds of riders across NSW.

Today the MVDHC is being recognised as one of the most progressive regional Dressage clubs in NSW, offering an ever expanding program of events, training and competition to its members and National Equestrian Federation members. In 2015 the Dressage Program at MVDHC grew to include Para Equestrian Team events, Judges Training clinics, Official Young Horse classes. In

2016 the program has been expanded again to include Adult Amateur Owner Rider (AOR) classes.
